## About Us

## About

# About We Fix Any Watch

As Members of the British Watch & Clock Makers Guild, we have been providing a dedicated watch and jewellery service to customers all over the world for over forty years.

Proud to be a global brand, we have hundreds of shops and locations across the UK.

Operating from a central workshop within the UK, we also have over 50 branches, including concessions in department stores and kiosks operating in major shopping centers, all offering expert [watch repair services](#) to meet your needs.

Whether you only need a simple repair or something more complex, most watch pieces hold sentimental value that is precious to many, and we appreciate this sentiment. Our highly skilled technicians will work hard to make sure your item is quickly and efficiently returned to you. If searching for **watch repair near me**, trust us to provide reliability and professionalism in meeting those needs.

## Services

## OUR WORKSHOP

default watermark

## CENTRAL WORKSHOP

Our central workshop team consists of professional watch makers, watch technicians and talented

goldsmiths.

## **REPAIRS IN-STORE**

In addition to repairing items sent direct to our workshop, our accredited central workshop technicians assist our store teams with more complex repairs.

## **TRADITIONAL SKILLS**

Combining traditional skills and tools with up-to-date technology, we restore and repair watches of all ages and styles. We examine each watch and jewellery piece with the utmost care and attention and appreciate the sentimental value your item holds.

## **START YOUR REPAIR**

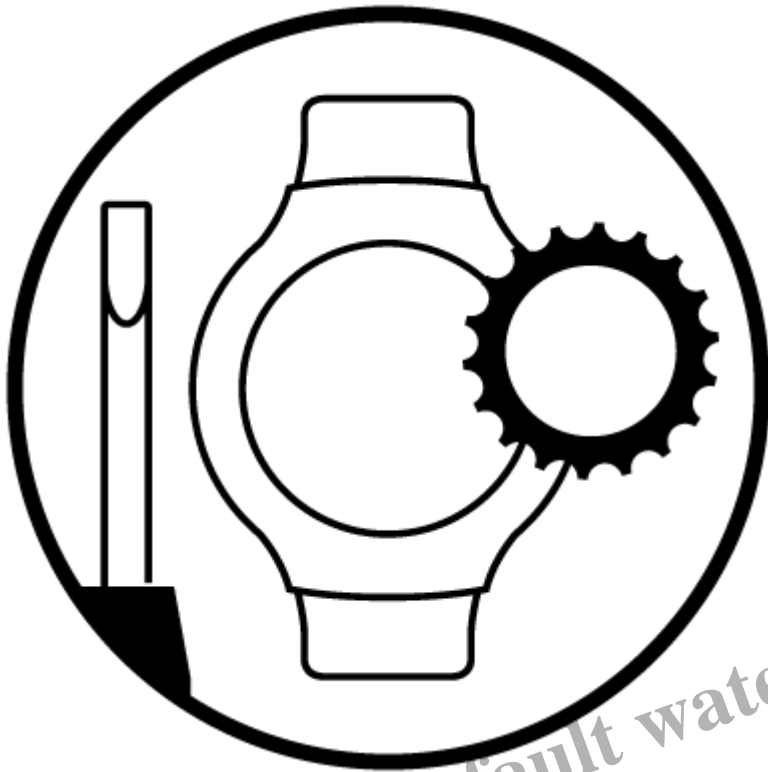

We carry out repairs sent directly to our main workshop and also assist our teams, located in store.

## **OUR HEAD OFFICE**

**150 STORES ACROSS THE UK AND EUROPE IN LEADING SHOPPING CENTRES AND DEPARTMENT STORES**
