THE HISTORY OF BALLAST WATCHES

The history of Ballast watches is deeply rooted in the maritime world. Inspired by the ruggedness and precision required at sea, Ballast was founded to honor the seafaring heritage. The brand takes its name from the ballast, which stabilizes ships during voyages. Since its inception, Ballast has been crafting timepieces that embody the spirit of adventure and exploration. With their distinctive designs and meticulous craftsmanship, Ballast watches have become a symbol of nautical heritage and a favorite among watch enthusiasts worldwide. Embrace the legacy of Ballast watches and embark on your own maritime journey.

Common Ballast Watch Repair Services We Offer

- **Battery Replacement:** if your Ballast watch seems not to keep very good time, maybe it just needed a battery replacement. Any Ballast model has efficient and prompt [battery replacement](#)

conducted by our technicians.

- **Strap and Bracelet Repair:** Whether your strap is worn out or your bracelet needs resizing, we have the right tools and expertise to make it fit perfectly.
- **Waterproof Testing and Sealing:** Ensure your Ballast watch stays water-resistant by having us test and reseal it to meet factory standards.
- **Movement Repairs:** If your Ballast watch has movement issues, we'll diagnose and repair it to ensure it runs smoothly, keeping perfect time.
- **Crystal Replacement:** A cracked or scratched crystal can ruin the look of your watch. Let us replace it with a high-quality, scratch-resistant crystal.

FAQs

How often should I service my watch?

It is generally recommended to service your watch every 3-5 years, depending on the brand and movement. Regular servicing helps maintain the accuracy and longevity of your timepiece.

Can you replace the battery in my watch?

Yes, we offer battery replacement services for a wide range of watches. Our skilled watchmakers can safely replace the battery and ensure proper functionality.

My watch glass is scratched. Can it be repaired?

Scratched watch glass can often be polished or replaced, depending on the severity of the scratches and the type of glass. Our experts can assess the damage and provide suitable solutions.

How long does a watch repair take?

The repair time can vary depending on the complexity of the issue. Simple repairs like battery replacements can be done within a short time, while more complex repairs may take longer. Our team strives to provide efficient turnaround times without compromising on quality.

Do you offer warranty or guarantee on watch repairs?

Yes, we offer warranties or guarantees on our watch repairs. The specific coverage may vary depending on the type of repair and the individual circumstances. Please contact our team for more details on the warranty or guarantee applicable to your repair.
