FAQs

How often should I service my watch?

It is generally recommended to service your watch every 3-5 years, depending on the brand and movement. Regular servicing helps maintain the accuracy and longevity of your timepiece.

Can you replace the battery in my watch?

Yes, we offer battery replacement services for a wide range of watches. Our skilled watchmakers can safely replace the battery and ensure proper functionality.

My watch glass is scratched. Can it be repaired?

Scratched watch glass can often be polished or replaced, depending on the severity of the scratches and the type of glass. Our experts can assess the damage and provide suitable solutions.

How long does a watch repair take?

The repair time can vary depending on the complexity of the issue. Simple repairs like battery replacements can be done within a short time, while more complex repairs may take longer. Our team strives to provide efficient turnaround times without compromising on quality.

Do you offer warranty or guarantee on watch repairs?

Yes, we offer warranties or guarantees on our watch repairs. The specific coverage may vary depending on the type of repair and the individual circumstances. Please contact our team for more details on the warranty or guarantee applicable to your repair.
