Barbour Servicing

Your Barbourwatch requires servicing in (London) as internal components inevitably wear out over time. The drying out of oils within the watch can lead to potential damage to the entire mechanism, incurring significant costs for repair

Barbour Repair Services

Our experts proficiently handle various issues with both older and newer Barbour watches. Services offered include watch glass replacement, hand restoration, and complete overhauls. With swift turnaround times for Barbour Repairs in (London), your valuable watch will regain its pristine appearance and functionality.

Barbour Watch Repair Coverage

Our Barbour watch repair services near (London) encompass all popular models such as Oyster, Explorer, Cellini, and Sky-Dweller (among others). Our staff is adept at repairing both current and discontinued models to restore them to full working order, provided replacement parts are available.

Tailored Barbour Watch Services

We specialize in an array of services geared directly towards what your Barbour needs specifically. This is how we revamp your watch to life.

- **Replacement of the battery:** If your Barbour watch has slowed down or even stopped, sometimes a battery replacement is the answer. We offer speedy and efficient battery services for all models of Barbour.
- **Movement & Mechanical Repairs:** No matter the issue, either with the internal movement or mechanical failure, our master watchmakers will diagnose your Barbour watch and ensure it is once again working like a well-tuned Swiss watch.
- **Strap and Bracelet Adjustments:** Do you need a Barbour watch strap adjusted or replaced? We provide bespoke strap solutions to meet your tastes, in various materials and styles.
- **Crystal & Dial Restoration:** A damaged or chipped crystal can leave your Barbour watch a little out of shape aesthetically. We also specialise in crystal replacement and polishing as well as in dial restoration work on certain watches that requires special attention.
- **Water Resistance Testing & Sealing:** We test your Barbour watch for water resistance and seal it back up so it remains at the factory standard it was originally created to be. This ensures your watch is both long-lasting and functional.

THE HISTORY OF BARBOUR WATCHES

The history of Barbour watches dates back to the early 1900s. Barbour, a British brand known for its

iconic waxed jackets, ventured into the world of watchmaking with the same commitment to quality and craftsmanship. Barbour watches are a blend of classic design and rugged durability, just like their famous outerwear. With a history rooted in outdoor exploration and adventure, Barbour watches are built to withstand the elements and stand the test of time. From timeless analog designs to modern chronographs, Barbour continues to create watches that capture the spirit of the great outdoors.

Why Choose Us for Your Barbour Watch?

- **Qualified technicians:** Our technicians are capable of handling any repair issue that may be involved in the Barbour watch, ranging from quartz to automatic movement.
- **Attention to Detail:** Barbour watches require precise care. We perform every repair with meticulous attention to detail to preserve the quality and style of your watch.
- **Competitive Fees:** High-class repair services at very fair and reasonable prices. We just want to give you service class so you don't have the high tag of luxury watch repair along with it.
- **Quick Turnaround:** We know how much your timepiece matters to you. Therefore, we are quite aggressive about getting the prompt repair done to get your Barbour watch back to you on time

without quality compromise.

FAQs

How often should I service my watch?

It is generally recommended to service your watch every 3-5 years, depending on the brand and movement. Regular servicing helps maintain the accuracy and longevity of your timepiece.

Can you replace the battery in my watch?

Yes, we offer battery replacement services for a wide range of watches. Our skilled watchmakers can safely replace the battery and ensure proper functionality.

My watch glass is scratched. Can it be repaired?

Scratched watch glass can often be polished or replaced, depending on the severity of the scratches and the type of glass. Our experts can assess the damage and provide suitable solutions.

How long does a watch repair take?

The repair time can vary depending on the complexity of the issue. Simple repairs like battery replacements can be done within a short time, while more complex repairs may take longer. Our team strives to provide efficient turnaround times without compromising on quality.

Do you offer warranty or guarantee on watch repairs?

Yes, we offer warranties or guarantees on our watch repairs. The specific coverage may vary depending on the type of repair and the individual circumstances. Please contact our team for more details on the warranty or guarantee applicable to your repair.
