Our Baume & Mercier Watch Repair Process

So you are certain of your Baume & Mercier repair, having brought it to WefixAnyWatch. You are assured our repair process is comprehensive and efficient. This is the way we treat each repair.

- **Movement Repair & Service:** Whether your Baume & Mercier watch has stopped or isn't keeping accurate time, we'll carefully inspect the movement and perform necessary repairs to restore its functionality.
- **Battery replacement:** Your quartz Baume & Mercier watch may just require a replacement of the battery if it is not working. Our master technicians use only high-quality batteries for the best performance.
- **Crystal Restoration & Replacement:** Scratches or cracks of the crystal will impact both the operational and aesthetic appearance of your Baume & Mercier. Our watch specialists specialize in crystal restoration and also replacement to make sure that your watch appears like it was newly bought.
- **Bracelet & Strap Adjustment:** Whether your bracelet needs resizing or your strap is worn out, we offer customized sizing, repair, and replacement to give you an excellent fit with a newly restored appearance.
- **Waterproof Testing & Sealing:** Some time after purchase, the Baume & Mercier watches' seals will wear down. We test and then replace the seals to give your watch the water resistance factory fresh again.

THE HISTORY OF BAUME & MERCIER WATCHES

The history of Baume & Mercier watches dates back to 1830 when the brand was founded by brothers Louis-Victor and Célestin Baume. Known for their precision and elegant designs, Baume & Mercier watches have become synonymous with luxury and craftsmanship. With a rich heritage and a commitment to excellence, Baume & Mercier continues to create timepieces that exude sophistication

and timeless appeal. From classic dress watches to sporty chronographs, Baume & Mercier watches are a true reflection of Swiss watchmaking tradition.

FAQs

How often should I service my watch?

It is generally recommended to service your watch every 3-5 years, depending on the brand and movement. Regular servicing helps maintain the accuracy and longevity of your timepiece.

Can you replace the battery in my watch?

Yes, we offer battery replacement services for a wide range of watches. Our skilled watchmakers can safely replace the battery and ensure proper functionality.

My watch glass is scratched. Can it be repaired?

Scratched watch glass can often be polished or replaced, depending on the severity of the scratches and the type of glass. Our experts can assess the damage and provide suitable solutions.

How long does a watch repair take?

The repair time can vary depending on the complexity of the issue. Simple repairs like battery replacements can be done within a short time, while more complex repairs may take longer. Our team strives to provide efficient turnaround times without compromising on quality.

Do you offer warranty or guarantee on watch repairs?

Yes, we offer warranties or guarantees on our watch repairs. The specific coverage may vary depending on the type of repair and the individual circumstances. Please contact our team for more details on the warranty or guarantee applicable to your repair.
