## FAQs

How often should I service my Briston watch?

It is generally recommended to service your Briston watch every 3-5 years, ensuring its accuracy and longevity. Our expert watchmakers specialize in Briston watch servicing to maintain its exceptional performance.

Can you replace the battery in my Briston watch?

Yes, we offer battery replacement services for Briston watches. Our skilled watchmakers will handle the battery replacement with precision, ensuring the proper functioning of your timepiece.

My Briston watch glass is scratched. Can it be repaired?

Scratched Bristonwatch glass can often be polished or replaced, depending on the extent of the scratches and the type of glass. Our experts will assess the damage and provide suitable solutions to restore the elegance of your Briston timepiece.

How long does a Briston watch repair take?

The repair time for Briston watches can vary depending on the complexity of the issue. Simple repairs like battery replacements can be done quickly, while more intricate repairs may take longer. Rest assured, our team strives to provide efficient turnaround times without compromising on the quality of the repair.

Do you offer a warranty or guarantee on Briston watch repairs?

Yes, we offer warranties or guarantees on our Briston watch repairs. The specific coverage may vary depending on the type of repair and individual circumstances. Contact our team for more details on the warranty or guarantee applicable to your Briston watch repair.
