THE HISTORY OF Christopher Ward WATCHES

Christopher Ward was founded in 2004 by three friends, Mike France, Peter Ellis, and Chris Ward, with the goal of creating luxury watches at an accessible price point. The brand gained recognition for its innovative designs and exceptional craftsmanship. Based in Maidenhead, England, Christopher Ward introduced the industry’s first transparent pricing model and was the pioneer of the in-house movement, Calibre SH21, launched in 2014. Today, the brand is celebrated for its timeless elegance,

precision engineering, and commitment to sustainability.
