We know your Cvstos is not just any timepiece—it's a significant investment. Our service is tailored to keep your watch running smoothly and looking its absolute best. Fast turnaround, competitive pricing. We try to make this process easy and convenient.

THE HISTORY OF Cvstos WATCHES

Cvstos is a luxury Swiss watch brand founded in 2005 by Antonio Terranova and Marco Giani. The name “Cvstos,” meaning “guardian” in Latin, reflects the brand’s commitment to crafting timepieces that are both highly functional and visually striking. Known for their innovative designs and technical excellence, Cvstos watches are characterized by bold, sporty aesthetics and precision craftsmanship. The brand has quickly gained a reputation for producing high-end watches that incorporate advanced features such as intricate tourbillons and unique case shapes. Today, Cvstos is celebrated for its

cutting-edge watchmaking technology and distinctive, luxurious designs.

Common Cvstos Watch Repairs We Handle

- Movement Repairs & Overhauls – from automatic to quartz movements, our watchmakers are expertly trained in all movement repairs, so the heart of your Cvstos watch runs smoothly.
- Watch Glass Replacement – accidents can occur and if your glass is cracked or scratched, we have only the best replacements to ensure that your watch is again clear and aesthetically pleasing.
- Battery Replacement & Sealing – Keep your Cvstos watch in the best condition with a professional battery change and seal maintenance.
- Case & Band Restoration – Whether it's a small scratch or deep damage to the case or bracelet, we have the right expertise to restore it back to its original shine and polish.
- Water Resistance Testing & Sealing – Get your Cvstos fully water-resistant again with our testing and sealing services.
