[How It Works](#)

Enicar Servicing

Your Enicar watch requires servicing in (London) as internal components inevitably wear out over time. The drying out of oils within the watch can lead to potential damage to the entire mechanism, incurring significant costs for repair.

Enicar Repair Services

Our knowledgeable experts proficiently handle various issues with both older and newer Enicar watches. Services offered include watch glass replacement, hand restoration, and complete overhauls. With swift turnaround times for Enicar repairs in (London), your valuable watch will regain its pristine appearance and functionality.

Enicar Watch Repair Coverage

Our Enicar watch repair services near (London) encompass all popular models such as Sherpa, Ultrasonic, AquaGraph, and JetGraph (among others). Our staff is adept at repairing both current and discontinued models to restore them to full working order, provided replacement parts are available.

Our Specialized Services for Enicar Watches

Full watch servicing

We ensure your Enicar watch functions at its best by availing our service package. This comprises the cleaning of the movement, replacement of worn parts, and calibration of the timepiece to factory standards.

Quartz Battery Replacement

We replace the battery of Enicar quartz models quickly and reliably. The high-quality batteries we use will give you long-lasting performance without leakage that could harm your watch.

Mechanical Movement Repairs

We repair and restore your Enicar mechanical watch to full working order if it has stopped or is losing time. Our experts use state-of-the-art tools to diagnose and fix movement issues very efficiently.

Crystal and Glass Replacement

Restore your watch's appearance with our crystal replacement service. Whether your Enicar watch requires sapphire, mineral, or acrylic glass, we use top-quality materials to ensure durability and clarity.

Water Resistance Testing and Resealing

Protect your Enicar watch from water damage. We test its water resistance and reseal it with precision to match its original specifications, giving you peace of mind.

Case and Bracelet Restoration

Revitalize the look of your Enicar watch with professional polishing and refurbishing. We remove scratches and restore the finish of both the case and bracelet, enhancing its aesthetic appeal.

Vintage Watch Restoration

Let us take your vintage Enicar watch and restore it to its former glory. From sourcing original parts to maintaining its unique character, we bring your treasured timepiece back to life.

THE HISTORY OF Enicar WATCHES

Enicar, founded in 1913 by Artiste Racine in La Chaux-de-Fonds, Switzerland, is renowned for its precision and innovation. The brand's name, derived by reversing the founder's surname, quickly became synonymous with quality Swiss watchmaking. Enicar gained international acclaim with its durable sports watches, particularly during the mid-20th century. Its Sherpa series, launched in the 1950s, showcased groundbreaking advancements in water resistance and reliability. Today, Enicar watches are celebrated for their vintage appeal and timeless craftsmanship.

FAQs

What is the average turnaround time for Enicar watch repairs?

The turnaround time depends on the complexity of the repair but typically ranges from 2-4 weeks, including quality assurance checks.

Do you use genuine Enicar parts for repairs?

Yes, we use genuine Enicar parts whenever available. If original parts are no longer in production, we source high-quality compatible alternatives.

Can you restore vintage Enicar watches?

Absolutely! Our vintage watch restoration services include sourcing original parts, repairing the movement, and preserving the watch's authentic character.

How much does an Enicar watch repair cost?

Repair costs vary depending on the services required. We provide a free assessment and a no-obligation quote before starting any work.

Is there a warranty on your repair services?

Yes, all our repairs come with a warranty that covers workmanship and replaced parts for a specified period.

Do you offer water resistance testing for Enicar watches?

Yes, we conduct thorough water resistance testing and resealing to ensure your watch meets its original specifications.

How can I send my Enicar watch for repair if I'm not local?

We offer mail-in repair services. Contact us for instructions on securely shipping your watch to our service center.
