[How It Works](#)

## Eterna Servicing

Your Eterna watch requires servicing in (London) as internal components inevitably wear out over time. The drying out of oils within the watch can lead to potential damage to the entire mechanism, incurring significant costs for repair.

## Eterna Repair Services

Our knowledgeable experts proficiently handle various issues with both older and newer Eterna watches. Services offered include watch glass replacement, hand restoration, and complete overhauls. With swift turnaround times for Eterna repairs in (London), your valuable watch will regain its pristine appearance and functionality.

## Eterna Watch Repair Coverage

Our Eterna watch repair services near (London) encompass all popular models, including Soleure, Kontiki, Artena, and Vaughan (among others). Our staff is adept at repairing both current and discontinued models to restore them to full working order, provided replacement parts are available.

## Our Eterna Watch Repair Services

- **Servicing:** After decades, even the most elegant watches need professional servicing. Our master watchmakers meticulously disassemble your Eterna, clean it down to its various parts, lubricate those parts, and then put everything back together with care and precision.
- **Overhaul Movement:** Our service experts are able to diagnose and repair mechanisms of automatic or manual movements in any Eterna to restore its ability to provide exact timekeeping.
- **Crystal Replacement:** A scratched or cracked watch crystal can make your watch lose its aesthetics and functionality. We provide quality crystal replacement services with materials that match the original specifications.
- **Battery Replacement:** We offer efficient battery replacement services using premium, long-lasting batteries for uninterrupted performance in Eterna quartz models.
- **Crown and Stem Repair:** A broken crown or stem will prevent you from setting the time or even winding your watch. We'll restore or replace such parts to exacting standards.
- **Testing and Restoration of Water Resistance:** If your Eterna is water-resistant, we test and restore the seals and gaskets retaining its resistance properties and ensuring no moisture or dust permeates it.
- **Polishing and Refinishing:** Bring back the original shine to your Eterna, thanks to our professional case and bracelet polishing services. We take extreme care in removing scratches and restoring it to like-new condition.

## THE HISTORY OF Eterna WATCHES

Founded in 1856 in Grenchen, Switzerland, Eterna has been a pioneer in the watchmaking industry, renowned for its innovation and precision. Eterna introduced the first wristwatch with an alarm in 1908 and revolutionized the industry in 1948 with its ball-bearing mounted rotor system, setting the standard

for automatic movements. Known for its timeless designs and exceptional craftsmanship, Eterna continues to uphold its legacy of Swiss excellence.
