## Our Favre Leuba Repair Services Include

- **Movement Overhaul & Service:** Favre Leuba watches are also known for their quality mechanical movements. Our technicians give a full movement service. This means that we completely dismantle the movement, clean, lubricate, and then reassemble it to ensure the movement is working to its best potential.
- **Battery Replacement & Quartz Movement Service:** For quartz models of Favre Leuba, we offer efficient battery replacement services. We also check and service the movement accordingly to ensure its longevity.
- **Crystal & Glass Replacement:** If your Favre Leuba's crystal is scratched or cracked, we replace it with high-quality replacements. Be it sapphire or mineral glass, we ensure the crystal gets restored to its former glory.
- **Water Resistance Testing:** Many Favre Leuba watches are designed for water resistance. We offer testing services to ensure that the seals are intact, so your watch remains fully protected in any environment.
- **Case & Bracelet Polishing:** With time, your watch case and bracelet acquire scratches. We will polish the Favre Leuba timepiece to the original shine and finish it once again.
- **Full Watch Restoration:** If your Favre Leuba watch needs full restoration, we undertake all work to bring the watch back to its previous state, including restoring both the mechanical movement and aesthetic elements of the timepiece.

## THE HISTORY OF Favre Leuba WATCHES

Favre Leuba, founded in 1737 in Le Locle, Switzerland, is one of the oldest Swiss watchmaking brands, known for its innovative spirit and craftsmanship. The brand gained prominence for its precision movements and luxury timepieces, becoming a pioneer in mechanical watch design. Over the centuries, Favre Leuba introduced several groundbreaking innovations, including the first watch with an altimeter in the 1960s. Despite facing challenges, the brand continues to uphold its legacy of combining tradition with modern technology, crafting timepieces that appeal to both collectors and enthusiasts.
