Festina Servicing

Your Festina watch requires servicing in (London) as internal components inevitably wear out over time. The drying out of oils within the watch can lead to potential damage to the entire mechanism, incurring significant costs for repair.

Festina Repair Services

Our knowledgeable experts proficiently handle various issues with both older and newer Festina watches. Services offered include watch glass replacement, hand restoration, and complete overhauls. With swift turnaround times for Festina repairs in (London), your valuable watch will regain its pristine appearance and functionality.

Festina Watch Repair Coverage

Our Festina watch repair services near (London) encompass all popular models. Our staff is adept at repairing both current and discontinued models to restore them to full working order, provided replacement parts are available.

Our Festina watch repair services

- **Battery Replacement:** If your Festina quartz watch is running slowly or has stopped then it's probably time to replace the battery. Your watch is sealed up before the battery is replaced for you so it will maintain the water resistance.
- **Movement Servicing:** If you have a mechanical or automatic Festina watch, we are able to completely service your movement. We break it down, clean it up, lubricate it and put it all back together so that it operates exactly as it should.
- **Crystal Replacement:** If the crystal in your Festina watch is cracked, scratched, or broken, we can replace the crystal with a new one, restoring clarity and protection to your watch.
- **Testing the Watch for Water Resistance:** Should your Festina watch happen to be water-resistant, we will test the seals and ensure that it will still meet the manufacturer's specifications to protect it against water damage.
- **Dial and Hand Restoration:** When the dial or hands show any signs of fading or other damage, we can restore or replace them to return your watch to its showroom condition.
- **Case and Bracelet Repair:** Whether the case is scratched or the bracelet is broken, we polish, repair, and replace it to give you a perfect finish on your watch.
- **Watch Polishing:** Festina watches may show wear over time. The polishing service will restore the shine and remove any scratches on the case and bracelet.

We understand how valuable your Festina watch is to you, and we are committed to delivering high-quality repairs with quick turnaround times. Trust us to restore your watch to its original working condition, maintaining the precision and elegance that Festina is known for.

THE HISTORY OF Festina WATCHES

Founded in 1902 in Switzerland, Festina has a long tradition of crafting precision timepieces. Over the years, the brand gained recognition for its innovative designs and high-quality materials. Festina's breakthrough came in the 1980s when the brand expanded internationally, making a significant impact in the global watch market. Known for its elegant style and technical excellence, Festina became the official timekeeper of various sporting events, including the Tour de France. Today, Festina remains a leading name in affordable luxury watches, offering a wide range of models for different tastes.

FAQs

How often should I have my Festina watch serviced?

It's recommended to service your Festina watch every 3 to 5 years, depending on the type of movement (quartz or mechanical) and usage, to keep it in optimal working condition.

My Festina watch stopped working. What should I do?

If your Festina quartz watch isn't working, it may need a battery replacement. For mechanical watches,

the movement may need servicing. Bring it to WeFixAnyWatch for a thorough inspection.

Can you repair a damaged Festina watch crystal?

Yes, we can replace cracked, scratched, or damaged crystals with high-quality replacements to restore both the appearance and functionality of your watch.

Is my Festina watch water-resistant?

Many Festina models are water-resistant, but over time, the seals may degrade. We offer water resistance testing and seal replacement to ensure your watch is still protected from water damage.

How do I know if my Festina watch requires movement servicing?

If your watch is running irregularly, losing or gaining time, or if you notice a lack of smooth motion in the hands, it may need a movement service.

Can you fix a broken bracelet on my Festina watch?

Yes, we provide bracelet repairs, including link replacement, resizing, and polishing to ensure your Festina watch looks and feels as good as new.

How long does it take to repair a Festina watch?

Repair time varies depending on the service required, but most repairs take between 1 to 2 weeks. We'll provide an estimated time frame when you bring your watch in for repair.
