[How It Works](#)

Ikepod Servicing

Your Ikepod watch requires regular servicing in (London) as internal components naturally wear out over time. The drying out of lubricating oils within the watch can lead to potential damage to the entire mechanism, resulting in significant repair costs.

Ikepod Repair Services

Our experienced professionals expertly handle a wide range of issues with both vintage and modern Ikepod watches. Services include watch glass replacement, hand restoration, and comprehensive overhauls. With fast turnaround times for Ikepod repairs in (London), we ensure your cherished timepiece is restored to its original elegance and functionality.

Ikepod Watch Repair Coverage

Our Ikepod watch repair services near (London) cater to all popular models, such as Hemipode, Megapode, Horizon, and Solaris (among others). Our skilled team specializes in repairing both current

and discontinued models, bringing them back to full working condition, provided the necessary replacement parts are available.

Authentic Parts and Advanced Tools for Ikepod Watches

We ensure that your Ikepod watch remains authentic. We use original Ikepod parts and state-of-the-art tools to provide you with the most reliable repair services. From the unique round cases to intricate movements and modern minimalistic designs, our team is equipped to handle all aspects of your watch with care. Preserve the value of your Ikepod by entrusting it to London's leading experts in luxury watch repair.

Battery Replacement and Waterproof Test

Ikepod watches often come with unique designs that need extra care when the battery is being replaced and water resistance tested. Our London workshop ensures your watch stays water-resistant and works well. We have to test thoroughly and reseal to maintain the integrity of your timepiece. Looking for "watch repair near me" for your Ikepod? Well, you can stop looking since we are one of the best service providers around.

THE HISTORY OF IKEPOD WATCHES

Ikepod was founded in 1994 by Oliver Ike and Marc Newson, merging Swiss craftsmanship with cutting-edge design. Known for its bold, minimalist aesthetics and avant-garde concepts, Ikepod quickly gained a cult following among collectors. The brand's signature rounded cases and futuristic designs

redefined luxury watchmaking. Though the company underwent several changes over the years, its legacy endures, celebrated for its unique approach to horology. Today, Ikepod continues to captivate enthusiasts with its iconic and timeless designs.

Full Maintenance on Ikepod Timepieces

Luxury watches such as Ikepod must be serviced regularly in order to have a long lifespan. Our services in London offer full cleaning, lubrication, and calibration of your watch's movement. In keeping with its originality, we offer you a full maintenance solution. Let us not see small problems develop into major issues; come and see us for proactive care and professional advice specific to your Ikepod.

Crystal and Strap Replacements for Ikepod Watches

Gradually, crystals and straps may depreciate over time. Our skilled watchmakers replace perfect crystals as well as supply numerous strap types according to the design of your Ikepod. In case it's a broken crystal or the worn-out strap of your timepiece, our London workshop ensures top-quality

substitutes for the restored looks of your watch. Our search for “watch repair near me” would easily be completed here.
