[How It Works](#)

## Invicta Servicing

Your Invicta watch requires regular servicing in London, as internal components naturally wear over time. The drying out of oils within the watch can lead to potential damage to the entire mechanism, incurring significant repair costs.

## Invicta Repair Services

Our knowledgeable experts proficiently handle various issues with both older and newer Invicta watches. Services offered include watch glass replacement, hand restoration, and complete overhauls.

With swift turnaround times for Invicta repairs in London, your valuable watch will regain its pristine appearance and functionality.

## Invicta Watch Repair Coverage

Our Invicta watch repair services near London encompass all popular models such as Pro Diver, Aviator, Speedway, and Subaqua (among others). Our staff is adept at repairing both current and discontinued models to restore them to full working order, provided replacement parts are available.

## Battery Replacement for Invicta Watches

A dead watch battery is inconvenient, but replacing it shouldn't be. At our service center, we provide quick and reliable battery replacements for all Invicta models. We use high-quality, long-lasting batteries to ensure your watch keeps ticking accurately. Our professionals also check the watch's sealing to maintain its water resistance after every replacement.

## Dial and Crystal Repairs

A scratched or cracked crystal can ruin the beauty of your Invicta watch. Our experienced technicians replace or repair the dial and crystal with utmost care. We ensure that your watch retains its original aesthetic and functionality. From restoring scratched dials to replacing shattered crystals, our services cater to all your needs.

## THE HISTORY OF INVICTA WATCHES

Founded in 1837 by Raphael Picard in La Chaux-de-Fonds, Switzerland, Invicta is renowned for producing high-quality, innovative timepieces at affordable prices. Initially celebrated for crafting Swiss mechanical watches, the brand reemerged in the 1990s under American ownership, focusing on bold designs and modern technology. Invicta is recognized for blending style and functionality, offering a wide range of watches that appeal to diverse tastes. The brand's commitment to precision and innovation has made it a global favorite among watch enthusiasts.

## Waterproofing and Sealing Services

Invicta watches are known for their water-resistant features. However, wear and tear can compromise this capability. Our waterproofing service includes testing and resealing your watch to restore its resistance against water damage. Whether you're an adventurer or someone who values durability,

we've got you covered.

## **Mechanical Movement Servicing**

The Invicta watches that are mechanical require periodic servicing in order to achieve accuracy and long life. Our watchmakers dismantle, clean, lubricate, and assemble the movement with care. This detailed service improves performance and maximizes the longevity of your beloved timepiece.

## **Replacement and adjustment of the strap**

An ill-fitting or worn-out strap can influence the appearance of your watch as well as the comfort it brings. We carry a large collection of straps to fit your Invicta watches, from authentic leather to stainless steel. Our watchmakers can also adjust your strap or bracelet to fit perfectly. Come to us for high-quality strap solutions fitting your style.

## Contact Us Today for Invicta Watch Services

At We Fix Any Watch, we take pride in our exceptional Invicta watch services in London. Whether you are experiencing a mechanical problem or need a strap changed, we can help.

## FAQs

How long does an Invicta watch repair take?

Repair times vary depending on the issue, but most repairs are completed within 7-10 business days. Complex issues may take longer.

Do you use genuine Invicta parts for repairs?

Yes, we use original replacement parts to ensure the quality and authenticity of your Invicta watch.

Can you service vintage Invicta watches?

Absolutely! Our technicians are skilled in handling both modern and vintage Invicta models with precision and care.

How often should I service my mechanical Invicta watch?

It's recommended to service mechanical watches every 3-5 years to maintain their performance and longevity.

Is your battery replacement service covered by a warranty?

Yes, our battery replacements include a warranty to ensure customer satisfaction and reliability.

Do you offer same-day service for minor repairs?

For minor issues like strap adjustments or battery replacements, we aim to provide same-day service whenever possible.

How can I book an appointment for Invicta watch services?

You can book an appointment through our website, by phone, or visit our London-based service center directly.
