### Jacob & Co Servicing

Your Jacob & Co. watch requires regular servicing in (London) as internal components naturally wear over time. The drying out of oils within the watch can lead to potential damage to the intricate mechanism, resulting in costly repairs.

## Jacob & Co Repair Services

Our experienced specialists expertly address various issues with both older and newer Jacob & Co. timepieces. Services include watch glass replacement, hand restoration, and complete overhauls. With efficient turnaround times for Jacob & Co. repairs in (London), your cherished watch will regain its elegance and flawless performance.

## Jacob & Co Watch Repair Coverage

Our Jacob & Co. watch repair services near (London) cater to all prominent models, including Astronomia, Epic X, Palatial, and Opera (among others). Our skilled team can restore both current and discontinued models to their full functionality, provided replacement parts are available.

## Jacob & Co. Authentic Replacement Parts for Watches

Authentic replacement parts are a must for maintaining the integrity of your Jacob & Co watch. We source authentic components to replace worn or damaged parts, ensuring your watch functions and looks as good as new. From a new crown to a crystal or strap, our expert team has you covered. For quality assurance and peace of mind, rely on our trusted service when searching for “watch repair near me.”

### Battery Replacement and Water Resistance Testing

Jacob & Co watches often feature complex designs and functionalities, making battery replacement a delicate task. Our technicians handle this with precision, ensuring your watch’s seals are intact to maintain water resistance. We also offer comprehensive water-resistance testing to protect your watch from moisture damage. If you’re looking for a reliable “watch repair near me” in London, our expert services are just what you need.

## THE HISTORY OF JACOB & CO WATCHES

Founded in 1986 by Jacob Arabo, Jacob & Co quickly gained recognition for its innovative designs and exceptional craftsmanship. Known for merging fine watchmaking with bold, avant-garde aesthetics, the brand introduced iconic timepieces like the Five Time Zone watch and the Astronomia collection. These watches reflect a perfect blend of luxury, artistry, and technical mastery, catering to high-profile clientele worldwide. Jacob & Co continues to push the boundaries of horology, creating exquisite and intricate designs that redefine the concept of luxury timepieces.

## Polish and Restore for Jacob & Co Watches

Daily wear can lead to scratches and dullness, which may affect the aesthetic appeal of your Jacob & Co watch. Our polishing and restoration services will restore the shine and brilliance of your timepiece, making it look brand new. From case refinishing to bracelet restoration, we handle every detail with care. For those in search of “watch repair near me,” our London service center ensures your watch remains a timeless treasure.

## FAQs

How often should I service my Jacob & Co watch?

We recommend servicing your Jacob & Co watch every 3-5 years to maintain its precision, performance, and longevity.

Do you use genuine Jacob & Co parts for repairs?

Yes, we source and use only authentic replacement parts to ensure your watch maintains its integrity and value.

Can you repair complex designs like the Astronomia collection?

Absolutely! Our technicians are trained to handle intricate designs and complications, including the Astronomia collection.

How long does a typical repair or service take?

Repair times vary depending on the service required, but most repairs are completed within 2-4 weeks. We'll provide a detailed timeline after diagnosis.

Is your service center authorized by Jacob & Co?

While we specialize in servicing Jacob & Co watches, we are not an authorized center but follow strict manufacturer guidelines and use genuine parts.

Do you offer water-resistance testing for Jacob & Co watches?

Yes, we provide comprehensive water-resistance testing to ensure your watch is protected against moisture and water damage.

How can I contact you to schedule a repair?

You can visit our London service center, call us, or fill out the contact form on our website to book an appointment.
